

## THE TRIP OF A

## FOR CROWN NATIONAL SUPPLY CHAIN WINNERS

....

In honour of our 110-year anniversary, we challenged our supply chain to suggest the best ways of celebrating Crown National's history. Our two more inspiring ideas came from two very special ladies, Thiodora Speelman and Zanay Pasha who we then sent packing on trip to visit some of our branches around the country and the tourist attractions within those regions. And let's just say that this was no ordinary adventure. Their journey embarked with a trip from Cape Town to Johannesburg.

**CPT to JHB** "Ladies chilling at the ALBA Easy Lounge, in anticipation of the exciting journey ahead. And Thiodora's first time ever in an aeroplane"

**JOHANNESBURG** "The gals took a trip on the Gautrain to Sandton Square and had lots of fun with Madiba before visiting the Longmeadow branch"

**NELSPRUIT** "Next up, the ladies hopped on a flight to Nelspruit to visit our branch there. The night was spent under African skies and a safari tent in the Kruger where they were greeted by elephants and all the wonders of nature"

**DURBAN** "The adventure continued all the way to Durban where they were welcomed with smiles and gifts from Jacques and his team"

**GQEBERHA (PE)** "Gqeberha was the last stop where the ladies were welcomed by Marius in the new PE Branch and, of course, even more spoils"

The ladies are super chuffed that they were able to visit some of the branches around the country and would like to extend their thanks to Johan De Jager, Lionel Geduld, Natasja Erasmus, Reuben Govender annd Mark Marlor for making this dream trip possible.

# **CRUISES WITH SIX GUN GRILL®**

"Frans Kook created waves when he took Six Gun Grill® on an MSC Cruise all the way from Durban to Mozambique"

### **EE COMMITTEE GETS BAKING UP**

**The Bake Sale was an EE initiative to raise funds for its charity arm.** Sadly, the Durban EE kitty was looted and a substantial amount of money was stolen. Being unstoppable, they have been working extra hard and smart to fill up that kitty once again. The Bake Sale was one of their successful fund-raising endeavours to raise more money for the EE kitty.

As proud sponsors of both DHL Stormers and WPBlitz Cricket teams in Cape Town, it gave us great joy to host both teams at an exciting Lawn Bowls Tournament. Great fun was had by all and new friendships were forged without any of the competitive spirit being lost. After a massivley enjoyable evening we look forward to giving these exceptional men all the Six Gun muscle they need.

#### #SixGunGrill #IamaStormer #WPJouLekkerDing

Over 120 kids from clubs and schools around the country participated in the Six Gun Grill<sup>®</sup> Under 9 Cricket Festival at Six Gun Grill<sup>®</sup> Newlands as a curtain raiser for the main game. We loved seeing the kids back on the pitch, in the grounds and experiencing the magic of the hallowed turf. **#SixGunGrill #WPJouLekkerDing** 

#### **U17 SIX GUN GRILL®**

A message from Christos Yiatses - WEST COAST OUTLAWS (franchise of the CPL affiliated to the NPL). We woke up this morning as CPL U17 champions, emulating our big brothers of last year who lifted the CPL U19 trophy.

/NED 2022'S CHAMPIOI

All our cricketers can be very proud of their contribution to the collective and the Six Gun Grill<sup>®</sup> OUTLAWS is a happy, albeit tired, family of cricketers, parents, sponsors and supporters.

We hope everyone enjoyed their experience and can take something valuable from it as we continue our cricket and life journey.

A massive and sincere thank you to our title sponsors Six Gun Grill® for their incredible support and love for our OUTLAWS franchise. Without specifically singling anyone out, we'd like to acknowledge the invaluable efforts of Margie, Trevor and their staff at the field venues. Then there's nail-biting Brenton who lives for the excitement of being with us, his heartwarming encouragement and SGG memorabilia. And last, but certainly not least, the behind the scenes efforts of Peter, Eric, Dan and John who constantly ensure the quality of our brand product and unselfishly look for ways to change lives and improve our day to day activities.
