Message from John Morris

CFG Managing Director

To everyone who actively participated in today's activities, I want to sincerely thank you for the time you have taken out of your personal lives and dedicated it to the group. I was super proud to see all the activations nationally.

WELCOMED THE SPRING SEASON

Crown National Durban welcomed the Spring Season in a kaleidoscope of colour. Decked in an array of colours and florals, staff arrived at work with a cheerful spring in their step and enjoyed an exquisite array of edibles at their High Tea get together. The event represented the team's philosophy that Spring is about a shift in mindset - spring cleaning out the cold volumes of a dreary winter, and ushering in a season of positivity, rebirth, renewal and new beginnings. Here we go... Above and Beyond...

It's a New Season!

Women's Day

INITIATIVE BY KZN EE COMMITTEE

The EE Committee was so excited and grateful to Crown Durban staff for their contributions in cash, gorgeous gifts, and necessities to our EE Women's Day Initiative. It was a phenomenal success!

The social worker and house mothers at The Sahara Shelter for Women were elated to say the least. Through the generous contributions of our wonderful and compassionate Crown Durban staff, we were able to bless each lady with a sizeable bag of toiletries and pamper items. Each child was super excited with their individual Six Gun Grill® bags of chips, biscuits, and chocolates. Additionally, we provided the home with bags of fruit, vegetables, meat, chicken, and processed meats for the children's school lunches.

There's absolutely nothing like bringing a smile to a sad face and hope to a despaired heart. The Sahara Shelter houses women and their children who have escaped toxic and abusive relationships and are in recovery. Because of the sensitive nature of the ladies' situations, we were not able to take pics of them, but have captured our contributions and donations.

"When we give to the poor, we give to God, and HE is no man's debtor"

From Ronelle, on behalf of our ever eager and compassionate EE Team KZN
