REMEMBERING

PETER NORDEJEE

MORE THAN A COMPANY MAN, A FRIEND,
A MENTOR, A LEGEND

There are people who work at a company, and then there are those who become part of its story. Peter Nordejee was one of those rare individuals.

At Crown National, it is hard to imagine the business without him. He brought energy, insight and character into every space he entered. More than a colleague, he became part of the heartbeat of the organisation.

Peter believed that business was built on people first. Customers became friends, suppliers became partners, and every interaction was rooted in genuine connection. He showed us that commercial success and meaningful relationships go hand in hand.

Over the years, he was a strong commercial leader, a trusted mentor and a steady presence through both challenges and victories. He led by example, held high standards and generously shared his knowledge.

Above all, Peter was devoted to his family, who were his greatest pride and joy.

His loyalty, leadership and humanity have left a lasting mark on Crown National. Peter will always remain part of our story and the many lives he touched.

BERTHA STELLMACHER

23 YEARS OF GROWTH, GRATITUDE, AND GREAT PEOPLE

My journey with Crown began in 2003 when we moved from Blackheath to Montague Gardens.

A better building brought beautiful people and a warm, homely atmosphere. I was given the opportunity to work in Creditors, but working in isolation did not suit me, something my CEO quickly agreed with. I consider myself one of the luckiest people to have loved my job from day one until the day I retired. Along the way, I was blessed to meet so many wonderful people and build lasting friendships. Your smiles, encouraging words, and incredible sense of humour have truly shaped my life. It was an honour to serve as the face of Crown Manufacturing for 23 years.

To my family and friends still at Crown:
Never regret a day in your life.
Good days give you happiness.
Bad days give you experience.
Please know that each of you has helped
shape the person I am today.
Proudly Crown, always.
